

# GREENWICH, OHIO

Not to scale

## Two Recommendations:

1. Please park *only* in the indicated areas on Kniffen St., keeping your car near the street and clear of the tracks. Do not park in the industry's drive or parking lot (*except on Sunday*), or in the private driveway.
2. *Please stay out of the area within the dotted oval.* This is basically private property, and includes the Greenwich diamonds. Being in the "off-limits" area could get you into some big trouble with either the CSX Police or the Greenwich Police.
